(UNAUDITED)**

**(In millions of U.S. dollars unless otherwise noted)**

Reporting Period: July 1, 2017 through September 30, 2017

**1. Reservation of Rights:**

Nothing contained in these Post-Confirmation Quarterly Summary Reports shall constitute a waiver of any of the rights of the Reorganized Debtors (as defined herein) or an admission with respect to their Chapter 11 Proceedings (as defined herein) or the First Amended Joint Chapter 11 Plan of Nortel Networks Inc. and Certain of its Affiliated Debtors (the “Plan”) [D.I. 17795-1], as confirmed by the Findings of Fact, Conclusions of Law, and Order Confirming First Amended Chapter 11 Plan of Nortel Networks Inc. and Certain of its Affiliated Debtors (the “Confirmation Order”) [D.I. 17795], including, but not limited to, matters involving objections to claims, equitable subordination, defenses, characterization or re-characterization of contracts, assumption or rejection of contracts under the provisions of the Plan, the Confirmation Order, chapter 3 of title 11 of the United States Code (“Bankruptcy Code”) and/or causes of action under the provisions of the Plan, the Confirmation Order, chapter 5 of the Bankruptcy Code or any other relevant applicable laws to recover assets or avoid transfers.

**2. Background and Organization:**

Prior to Nortel’s significant business divestitures, Nortel Networks Corporation (“NNC”) and its subsidiaries (collectively “Nortel”), including the U.S. Debtors (as defined below), were a global supplier of end-to-end networking products and solutions serving both service providers and enterprise customers.

**Creditor Protection Proceedings** - On January 14, 2009 (“Petition Date”), Nortel Networks Inc. (“NNI”), Nortel Networks Capital Corporation (“NNCC”) and certain other of Nortel’s U.S. subsidiaries, initiated Creditor Protection Proceedings in the U.S. Bankruptcy Court for the District of Delaware (“U.S. Court”) under the Bankruptcy Code (“Chapter 11 Proceedings”), several of their Canadian affiliates (“Canadian Debtors”), including the ultimate parent company, NNC, initiated Creditor Protection Proceedings in Canada at the Ontario Superior Court of Justice (“Canadian Court”) under the Companies’ Creditors Arrangement Act (“CCAA”), and several of Nortel’s affiliates in Europe, Middle East and Africa (“EMEA”) (“EMEA Debtors”) initiated Creditor Protection Proceedings in the United Kingdom under the Insolvency Act 1986. Subsequently, creditor protection proceedings were commenced for certain affiliates in other jurisdictions, including Israel and France. On July 14, 2009, Nortel Networks (CALA) Inc. (“NNCI”), an affiliate of NNI, initiated Chapter 11 Proceedings. On July 26, 2016, Nortel Networks India International Inc. (“NNIII”), an affiliate of NNI, initiated Chapter 11 proceedings. On January 24, 2017, the Bankruptcy Court entered the Confirmation Order and confirmed the Plan for all of the U.S. Debtors except NNIII, which has not yet filed a Chapter 11 Plan. The Effective Date for the Plan of each U.S. Debtor except NNIII was May 8, 2017 (“Effective Date”). As a result, NNIII is not included in this Post-Confirmation Quarterly Summary Report and will continue to file Monthly Operating Reports. Capitalized terms used, but not otherwise defined, herein shall have the meaning ascribed to them in the Plan.

As of September 30, 2017, the U.S. Reorganized Debtors consisted of the following entities:

<u>U.S. Debtors</u>	<u>Case No.</u>
Nortel Networks Inc.	09-10138
Nortel Networks Capital Corporation	09-10139
Nortel Networks International, Inc.	09-10150
Nortel AltSystems, Inc.	09-10140

Architel Systems (U.S.) Corporation	09-10149
CoreTek, Inc.	09-10145
Nortel Networks Applications Management Solutions Inc.	09-10146
Nortel Networks Cable Solutions Inc.	09-10152
Nortel Networks Optical Components Inc.	09-10147
Nortel Networks HPOCS Inc.	09-10148
Northern Telecom International Inc.	09-10151
Qtera Corporation	09-10144
Sonoma Systems	09-10143
Xros, Inc.	09-10142
Nortel Networks (CALA) Inc.	09-12515

The accompanying unaudited condensed combined Schedule of Cash Receipts and Disbursements and Balance Sheet (“financial statements”) do not include the effects of all current or future claims relating to the Creditor Protection Proceedings. Certain claims filed may have priority over those of the U.S. Debtors’ unsecured creditors. The Debtors continue to review the remaining claims filed and not yet fully resolved, and to administer the claims reconciliation process. Differences between claim amounts determined by the Debtors and claim amounts filed by creditors will be investigated and resolved in accordance with the procedures provided for in the Plan. Certain claims that have been filed may be duplicative (particularly given the multiple jurisdictions involved in the Creditor Protection Proceedings), based on contingencies that have not occurred, or may be otherwise overstated, and would therefore be subject to revision or disallowance. While the Debtors have made considerable progress on reconciling claims of the various Debtors, certain remaining claims will take additional time to reconcile due to their size or complexity.

For further information on matters preceding the filing of these Post-Confirmation Quarterly Summary Reports, users should refer to prior Monthly Operating Reports. Users are also referred to the Bankruptcy Court docket for these Chapter 11 Proceedings.

### **3. Basis of Presentation:**

The financial statements contained herein were not intended to reconcile to any financial statements otherwise prepared or distributed by the U.S. Reorganized Debtors or any of the U.S. Reorganized Debtors’ affiliates. Significant efforts have been put forth to attribute the assets and liabilities to the proper legal entity. However, because the U.S. Reorganized Debtors’ accounting systems, policies, and practices were developed with a view to producing consolidated reporting, rather than by legal entity, it is possible that not all assets or liabilities have been recorded at the correct legal entity. Accordingly, the U.S. Reorganized Debtors reserve all rights to supplement or amend any financial statements contained in these Post-Confirmation Quarterly Summary Reports.

These Post-Confirmation Quarterly Summary Reports are limited in scope, cover a limited time period, and have been prepared solely for the purpose of complying with the quarterly post-confirmation reporting requirements of the Bankruptcy Court and the United States Trustee. The information presented herein has not been subject to all procedures that would typically be applied to financial information presented in accordance with U.S. Generally Accepted Accounting Principles (“U.S. GAAP”). The Statement of Cash Receipts and Disbursements presents a summary of the cash activity for the period and does not include the impact of future cash flows related to assets and accrued liabilities in conformity with U.S. GAAP. Any differences between the ending book cash balances and bank cash balances would generally be attributable to outstanding checks and in-transit items. The U.S. Reorganized Debtors caution readers not to place undue reliance upon the information contained in these Post-Confirmation Quarterly Summary Reports. The results herein are not necessarily indicative of results which may be expected from any other period or for the full year and may not necessarily reflect the cash activity and financial position of the U.S. Reorganized Debtors in the future.

As part of their restructuring efforts, the U.S. Reorganized Debtors are reviewing their assets and liabilities on an ongoing basis, including without limitation with respect to intercompany claims and obligations, and nothing contained in these Post-Confirmation Quarterly Summary Reports shall constitute a waiver of any of the U.S. Reorganized Debtors’ rights with respect to such assets, liabilities, claims and obligations that may exist.

The financial statements contained herein represent the unaudited condensed financial statements for the U.S. Reorganized Debtors only. The U.S. Reorganized Debtors’ subsidiaries are treated as non-consolidated subsidiaries in these financial statements and as such their net assets are included as “Investments in Subsidiaries” in the balance sheet.

The financial statements have been derived from the books and records of the U.S. Reorganized Debtors. These accompanying notes and schedules are an integral part of the unaudited condensed financial statements.

Section 3.2 of the Plan provides for the substantive consolidation of NNI and NNCC and are reflected as such in the accompanying financial statements. NNI and NNCC, as substantively consolidated debtors, are referred to herein as the Consolidated Debtors.

#### 4. Cash and Cash Equivalents

As of September 30, 2017, the U.S. Reorganized Debtors cash balance by account is as follows:

Legal Entity	Bank	Account Type	Lockbox/Account	Bank Balance
Nortel Networks Inc.	Citibank	Disbursements (AP)	30580851	0.0
Nortel Networks Inc.	Wilmington Trust	Investment Account	108458-000	491.0
Nortel Networks Inc.	M&T Bank	Disbursements (AP)	9869921479	2.9
Nortel Networks Inc.	M&T Bank	Distribution Account-Wires	9869920745	12.2
Nortel Networks Inc.	M&T Bank	Distribution Account-Checks	9869920737	(7.2)
Nortel Altsystems, Inc.	Wilmington Trust	Investment Account	108460-000	4.1
Nortel Networks Capital Corp.	Wilmington Trust	Investment Account	108461-000	0.0
Nortel Networks International, Inc.	Wilmington Trust	Investment Account	108463-000	1.0
Nortel Networks (CALA) Inc.	Wilmington Trust	Investment Account	108459-000	26.7
				\$ 530.6

As previously noted, NNIII is not included in this Post-Confirmation Quarterly Summary Report and accordingly, its cash balance of approximately \$33.9 million as of September 30, 2017 is not reported in the table above.

#### 5. Accounts Receivable Intercompany

From a GAAP perspective, the accounts receivable intercompany balance is stated on a gross basis without adjusting for offsetting accounts payable owed by the Debtor to non-Debtor affiliates. In addition, the accounts receivable intercompany balance is reduced for a bad debt reserve which is analyzed and adjusted on a periodic basis for collectability. In total, the accounts receivable balance, after effect of the bad debt reserve, is largely offset by accounts payable (in liabilities subject to compromise). Increases or decreases in the accounts receivable intercompany due to a timing difference related to reserve accounting may not represent an increase in potential cash receipts from receivables when fully netted against accounts payables.

#### 6. Liabilities Subject to Compromise and Distributions

The liabilities subject to compromise are reflective of the balance sheets on the Petition Date and have not been adjusted for all claim activity.

Accounts payable intercompany reflects gross accounts payable without accounting for the netting of any receivables owed to the Debtors by non-Debtor affiliates, and does not reflect balances owed between one Debtor and another Debtor.

The Pension Benefit Guaranty Corporation ("PBGC") filed multiple proofs of claim in the Debtors' cases. The PBGC was allowed an unsecured claim against each of the Reorganized Debtors and NNIII in the amount of \$624.6 million in full and complete satisfaction of all claims asserted against the Reorganized Debtors and NNIII, with a maximum recovery of \$565 million. These claims are not reflected in the liabilities subject to compromise in the accompanying balance sheets.

As of September 30, 2017, the U.S. Reorganized Debtors have distributed approximately \$2.8 billion to creditors with allowed claims. Claims distributions are reflected in the balance sheets as a reduction of liabilities subject to compromise. As discussed above, the balance sheets have not been adjusted for all claim activity and do not reflect the allowed PBGC claims. Therefore, the reduction applied against liabilities subject to compromise related to claims distributions reduction may result in a negative balance in liabilities subject to compromise in the accompanying balance sheets.

For further information related to claims distributions and the allowed unsecured claims against the U.S. Reorganized Debtors, users should refer to the Notice of Intended Initial Distribution under First Amended Joint Chapter 11 Plan of Nortel Networks Inc. and Certain of its Affiliated Debtors [D.I. 18298] dated June 14, 2017 and the Notice of Intended Distribution under First Amended Joint Chapter 11 Plan of Nortel Networks Inc. and Certain of its Affiliated Debtors [D.I. 18438] dated August 14, 2017.

#### 7. Cash Receipts and Disbursements:

NNI is the centralized disbursement entity for multiple U.S. Debtors and non-Debtors and accordingly makes payments, both by wire and checks, for multiple U.S. Debtors and non-Debtors. Individual U.S. Debtor disbursements have been separated from NNI and listed under specific individual U.S. Debtors. However, disbursements made for the benefit of NNI as well as other U.S. Debtors and/or non-Debtors are still consolidated with NNI for financial reporting purposes.

#### **8. Receipt of Allocation of Divestiture Proceeds Held in Escrow and Other Settlements**

On October 12, 2016, the Debtors filed a Notice of Execution of Settlement and Plans Support Agreement [D.I. 17249] that attached a Settlement and Plans Support Agreement dated October 12, 2016 (the “SPSA”), which contemplated the resolution of the allocation dispute and other matters in accordance with the terms and subject to the conditions set forth therein. On January 24, 2017, the Bankruptcy Court entered an order approving each U.S. Debtor’s entry into the SPSA [D.I. 17794] in conjunction with confirmation of the Plan. Consummation of the settlements contemplated by the SPSA was completed on the Effective Date. Between May 8, 2017 and May 23, 2017, NNI and NNCI received their respective allocations of the divestiture proceeds and related interest and additional settlement proceeds provided for under the SPSA amounts of \$1.745 billion and \$50.2 million, respectively. Additionally, on May 31, 2017 NNI received \$77.5 million related to settlements contemplated in the SPSA and \$62.7 million related to its secured revolver claim from the Canadian Debtors.

On July 6, 2017, NNI received a distribution in the amount of \$830 million from the Canadian Debtors related to its allowed \$2 billion unsecured claim.

On July 11, 2017, NNI received a distribution on behalf of Architel Systems (U.S.) Corporation (“Architel”) in the amount of \$0.7 million from the Canadian Debtors related to Architel’s allowed \$1.9 million unsecured claim.
